

It doesn't get much easier.

Printing with the Xerox® D-Series (D95A, D110, D125 and D136) Copier/Printer

Educational Course Pack—Education Vertical Market

Step 1—Paper Setup

Xerox has digitally optimized papers and specialty media products that are specifically engineered in concert with the Xerox® D-Series to provide you with superior productivity, reliability and flexibility. Explore specialty media with photo towers, window clings and Eclipse metallic-like colors in a full range of weights and sizes.

On the Xerox® D-Series Copier/Printer

- Tray 1: Covers—8.5" x 11" or A4, Gold Eclipse
- Tray 2: Body—8.5" x 11" or A4
- Tray 3: Tabs—8.5" x 11" Tab Stock
- Tray 4: Insert—8.5" x 11" or A4, Silver Eclipse

Step 2—Job Setup

FreeFlow Makeready is an advanced prepress tool that allows you to complete late stage editing as well as combine electronic and hard copy scan into one print-ready document. You also can combine PDF, TIFF and JPEG files together to create a single print-ready document. FreeFlow Makeready has the ability to integrate seamlessly with the EX Server, Powered by Fiery.

On FreeFlow Makeready Client

- Insert the PDF into FreeFlow Makeready
 - Finishing: Coil Punch Left
- Makeready Client:
